

ECOTECHX	
Model	STW-A20
Company	EcoTechX Limited
Address	Ellison Building, Newcastle Upon Tyne, NE18ST, UK
Contact Details	info@ecotechx.com , www.ecotechx.com
Corresponding Person	Dr. Muhammad Ahmad, Chief Technology Officer

STW 20L Performance Parameters		
Design water production	L/day	20L
Product Model		STW-A20
Temperature	°C	26
Relative Humidity	%	40
Water production	l/day	20

STW-A20 Technical Data		
System Dimensions H x L	mm	1120 x 550x550
Operating Weight (nom) Machine	kg	48
Construction Material / Colour		Frame: Aluminium Casing: acrylic sheet Fan Frame: Steel
Heat exchanger		
Coil 1 (H x L)	cm	25x25
Coil 1 (H x L)	cm	25x25
Water tank		
Capacity	L	20
water treatment		Combi filter, UV disinfection, Verified drinking water by WHO
Water Pump	12V	Pump water to tap
Control Panel		
On/Off Switches		Water collection
Emergency Switch		Safety Switch

Overall System Input Data		STW-A20
Parameter	Unit	Value
Voltage	V	220v
Phase		Single
Frequency	Hz	60
Current	A	8
Power	W	900
Noise	db	58
